Dear Sir or Madam:

This is to inform you that the Workers' Compensation Board has issued an updated Ambulatory Surgery Fee Schedule for your facility (attached).

This schedule has been adopted pursuant to Section 13, subdivision (a) of the Workers' Compensation Law and constitute Sections 329.4 and 329.5 of Title 12 of the Compilation of Codes, Rules and Regulations of the State of New York. The schedule covers ambulatory surgery charges effective February 24, 2003 – February 28, 2009 for services to patients under the Workers' Compensation Law, the Volunteer Firefighters' Benefit Law, the Volunteer Ambulance Workers' Compensation Benefit Law and the Comprehensive Motor Vehicle Repairs Act.

The schedule was prepared using the New York State Products of Ambulatory Surgery (PAS) methodology with the reimbursement level set at 150% of the rate promulgated by the New York State Department for Medicaid patients.

If I can be of further assistance, you may contact me at 518-474-2686.
