

Statement in Lieu of a Regulatory Flexibility Analysis .

The rule should not impose any adverse economic impact or reporting, recordkeeping or other compliance requirements on small businesses or local governments. The proposal repeals Parts 326, 330, 332, 340, 342, 345, 347, 412, and Subpart 349-2 of Title 12 NYCRR, which deal with provider practice committees and medical appeals unit. These committees and the medical appeals unit have not existed since at least 2020.
